# THE SIMPLE BEAUTIFIED

## CONTEMPORARY MINIMALISM

Throughout our lives, we are on the search for simplicity within constant change. We tend to be distracted by unessential items – things that do more than we want but less than we need.

At LARS NYSØM, we commit to the simple, yet delightful. By blending contemporary minimalist design with superior usability, we excel at bringing beauty into everyday objects.

## ØUR MISSION

*We strive to bring beauty into the small everyday moments, encounters, life.  
One piece at a time.*

## CLEAN DESIGN

Our products are designed to highlight the beauty of simplicity.  
Clear shapes and lines are in the center of our creations.

## UNIQUE COLORS

Our products are marked with carefully selected color schemes  
that are particularly pleasing to the eye.

## FUNCTIONALITY

We strive to achieve a perfect balance between timeless  
design and superior functionality.

# CLIMATE NEUTRAL

*In 2021 alone, we offset 313 tons of CO<sub>2</sub> emissions by supporting the Plastic Bank globally and reforestation projects in Germany.*

*We are Climate Neutral certified by ClimatePartner*

## MEASURE CO<sub>2</sub> EMISSIONS

We measure CO<sub>2</sub> emissions across our value chain in order to create transparency and identify potential for reducing emissions.

## REDUCE AND REUSE

We focus on reusable products and concepts such as plastic-free packaging. Our goal is to reduce our footprint step by step.

## OFFSET THE UNAVOIDABLE

Unavoidable emissions occur during production. We support environmental projects in order to offset these emissions.

# AWARD WINNING DESIGN

*By blending contemporary minimalist design with superior usability,  
we excel at bringing beauty into everyday objects.*

## iF DESIGN AWARD

The iF DESIGN AWARD is one of the world's most prestigious design awards. Organized in Germany since 1953, the iF seal signifies outstanding design, for consumers and the design community.

## RED DOT AWARD

reddot winner

Every year, the Red Dot Award sets out to find the year's best products. The awarded products may be aesthetically appealing, functional, smart or innovative, but what they all have in common is their outstanding design.

## GERMAN DESIGN AWARD

The German Design Council, the expert for brand and design in Germany, bestows the German Design Award in order to highlight exciting new developments in the German design industry.

## ICONIC AWARDS

The ICONIC AWARDS: Innovative Interior honour only the best of the best in the furniture and interior design industries. The competition creates a unique platform for furniture and interior design.

# ABOUT LARS NYSØM

*The story behind the brand.*

## THE SIMPLE BEAUTIFIED

LARS NYSØM was founded by Patrick Fischer and Sebastian Fritz with the aim of applying the principles of minimalism to everyday items. By combining clean design with functionality and a unique range of colors, the brand transforms simple objects into minimalist design accessories that bring beauty to life. Piece by piece.

LARS NYSØM represents an imaginary designer who embodies the philosophy of the founders and pays tribute to Scandinavia's leading role in advancing the ideas of minimalist design. The result is award-winning, long-lasting, and climate-neutral certified products that stand out. In line with the label's philosophy *The Simple Beautified*, everyday items such as water bottles and pepper mills are thus turned to fashion accessories or interior essentials.
